**Best Vacant Land In The District !**

75 Skarrats Lane Lakesland, NSW

**7.85 Acres Secret Country Lane**  
**.....Picture Book Land Gently Rising**  
**From The Roa**

You just could not imagine a more appealing acreage setting.

Everything you could imagine in a location, topography convenience and privacy.

Just take a short meander through a rustic tree lined entrance and work up to a gently sloping rich and fertile open area on the top of the block.

This really is one of the nicest parcels of land now offered for sale and must be inspected to be appreciated.
