

HOVELLS CREEK, NSW

1000 Acres appr. Historical ?Kio Ora? Rich Fertile Highly Productive Drought Pro

Only the second time offered for sale in the past century ?Kio Ora? represents an outstanding opportunity to purchase a quality pastoral property with slightly undulating high set country with a good portions of fluvial creek flats.

This property can be bought with the confidence continual farming throughout all the seasons with an outstanding water supply from several spring fed dams, small spring fed waterholes and permanent creek beds.

An ideal property for a new farming enterprise or an astute addition to any local holdings
